Dear Mr. O'Brien:

Reference is made to your correspondence dated December 15, 2021 following up on your Freedom of Information Law (FOIL) request dated February 3, 2021 seeking the following:

> Requesting a copy of any spreadsheet records such as Excel, or other database that the New York State Police keeps of police discipline over the past 10 years, to include officer's name, rank, misconduct charges, discipline imposed and all other categories your (NYSP) agency maintains. Request that they are provided to us electronically and emailed to me at john_obrien@fd.org or on an electronic device such as a thumb drive or CD. No paper copies

In accordance with your request, enclosed please find copies of the records responsive to your request. Redactions have been made to those portions which if disclosed would constitute an unwarranted invasion of personal privacy of those concerned (*Public Officers Law §87(2)(b)*).

Pursuant to Public Officers Law §89(4)(a) you have 30 days to submit a written appeal of this determination to the Records Appeal Officer, Administration, at the below address or sent via e-mail at Foilunit@troopers.ny.gov.

Sincerely,

Major William H. Gorman
